EDUCATION SECRETARIAT

Dated 8th March 1945.

No. E. 4317—Edn. 180-44-5. It is hereby notified for the information of the general public that the Government of India have sponsored a scheme for sending abroad a number of Indian Students for training in various branches of Technology including Mechanical Engineering, Electrical Engineering, Civil Engineering, Chemical Engineering, Aeronautical Engineering, Marine Engineering, Architecture and Planning, Applied Chemistry, including preservation and distribution of foodstuffs, Applied Physics, Geology, Metallurgy and other forms of Applied Science. The candidates should be persons with a University degree in Science or Engineering or equivalent diploma.

Applications are invited from intending candidates in the form appended below. In the case of persons who are employed in Government service, applications should be sent through the proper channel. The applications should be sent in triplicate (typed).

It is difficult to state exactly what the cost of the course will be, but from the information available and provided, there is no substantial increase in the cost of living in the countries concerned, an allowance of Rs. 500 per month for maintenance and of about Rs. 1,000 to cover fares to the institutions selected should be sufficient to meet the expense either in the United Kingdom or United States of America. The cost may not be higher in the British Dominions.

The applications should be addressed to the Secretary to Government, Education Department, and should reach him not later than the 21st March 1945.
